WHY THE PLAYERS EDGE

Our philosophy is that each player has potential – as a player and person

Our mission is to help each individual maximize their potential by developing the skills necessary to be successful

Active Learning Time equals significant reps

Emphasis on developmental skill training with emphasis on basketball **FUNDamentals** and game situations. **A Complete Program**

A program that **will actively challenge and develop** your skills and mindset preparing players for Travel, School, AAU, and Recreation teams.

Allows the Fall Sport Athletes to work on their basketball skills away from organized team activities

Your youngsters will develop playing skills - sign them up now to The Players Edge Program
